

This exciting series looks at homes that were built in a past time but are still lived in by families today. Each book takes the reader on a journey around a house of a particular period, showing the rooms by way of photographs and artists impressions as they are now and comparing them with how they were used by the people who first lived there. A wealth of information about the era helps to build up a fascinating picture of everyday life in a bygone age.

Food Science and Nutrition, Air: The Excellent Canopy, Keeping Chronicles: Preserving history through written memorabilia, Appalachian Adventure, Maternal and Fetal Care Book II Perinatal Continuing Education Program (Book II), Las mas bellas nanas de musica clasica (Spanish Edition), Get Sober! How to Defeat Alcohol Addiction and Claim Your Life Back!, Editing Historical Documents: A Handbook of Practice (American Association for State and Local History),
